

December 2017

Dear Parents,

Wow, time certainly is flying by! We hope you all had a wonderful Thanksgiving with your families. With another holiday on the horizon, we will be very busy this month.

The first week of December, our room mothers are planning a fun holiday activity with the children. Later, we will be making a special gift for our families. If you celebrate a holiday other than Christmas and would like to come in and discuss your holiday tradition and do an activity or read a story, we would be happy to have you come in to our classroom to do something.

The children in the Red Room have shown a collective interest in trains, so we will be spending time learning about different types of trains, the parts of a train, and the people who work on them. We will be collaborating to paint and decorate train cars and transform our house-keeping area into a train station. If you have a special book about trains that you would like to read to the children, please let us know and we will schedule a time for you. Also, if you know anyone who works on a train, we would love for them to come in and share their knowledge. We are hoping to have a special visitor come in and teach the children about being a conductor.

Upcoming dates:

| | |
|-------------------------|---|
| Friday, December 1 | Yoga |
| Friday, December 8 | SNS Movie Night, 5-8pm |

Now that the weather is becoming wintry, we ask that your children wear a hat and mittens to school, as the playground gets very windy and cold. If it snows, please be sure to bring in snow pants and boots as well, and make sure they are labelled with your child's name in them as many look the same and can easily get mixed up. Please also check your child's bin in their cubby to make sure they have a change of winter clothes in it. Thank you!

We wish you all a delightful December, and a wonderful holiday season with your families.

All our best,

Miss Kerrin and Miss Lisa
